Feedback Analysis and Action Taken Report (ATR) of Aghorekamini Prakashchandra Mahavidyalaya, Bengai, Hooghly for the session 2022-2023

Sl. No.	Recommendations based on Feedback Analysis	Action Taken Report
1.	Increase the internet speed within the college campus.	The Principal assured the IQAC that he would enquire of the internet service providers as to why the internet speed was not up to the mark, as per the bandwidth. He hoped that the internet service providers would be able to redress the problem.
2.	Increase the number of soft skill programmes	The Principal requested the Convener of the Career Counselling Cell to organise workshops on soft skills to enhance the employability of our students.
3.	Augment ICT facilities in the classrooms	The Principal assured the IQAC that the ICT facilities would be augmented in a gradual and systematic way, depending on the availability of funds.
4.	Organise more career-oriented programmes	The Principal requested the Convener of the Career Counselling Cell to take initiatives so that more career-oriented programmes could be organised in our college to enhance the employability of our students.
5.	Focus on outcome-based education in view of NEP2020	The Principal pointed out that no college, affiliated to the University of Burdwan, could formulate their own syllabus. But the recommendation for outcome-based education would be forwarded to the competent authorities at the university.
6.	Integrate topics related to job or vocation within the syllabus	The Principal pointed out that no college, affiliated to the University of Burdwan, could formulate their own syllabus. But the recommendation for integrating job-related topics into the syllabi would be forwarded to the competent authorities at the university.
7.	Organise more industrial visits for the students	The Principal assured the IQAC that initiatives would be taken to sign MOUs with industries, so that more industrial visits could be arranged for our students.
8.	Improve drinking water facilities	The Principal assured the IQAC that some Cooler-cum-Purifiers would be installed, in addition to maintaining the existing ones, at different locations of the campus to provide pure drinking water to all the stake-holders.
