Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Our institution follows the guidelines provided by the mother university, i.e. The University of Burdwan, in implementing the curriculum and chalking out the action plans.</p> <ul style="list-style-type: none"> • Since the introduction of the CBCS system by our mother university in 2017, the entire academic process has been revolutionized. So, diverse initiatives are taken by our college to familiarize our students with the system. • Our college organizes Orientation Programmes every year for our freshers to make them acquainted with the features and complexities of the new semester-based and choice-based academic system as well as grade-based evaluation. • All the departments in our college chalk out Course Outcomes and Programme Outcomes to inform our students of the benefits of their courses of study, not only in parts but also as a whole. • Regular classes are arranged on a well-planned master routine to cover all areas of the syllabus to the fullest satisfaction of students. • To facilitate learning, our teachers often prepare/ procure and upload study materials onto our college website so that students do not suffer due to paucity of relevant books in the market or inability to buy books due to economic duress. • Class/ Unit Tests are organised independently by the Departments and Preparatory Tests for the Final Examinations are arranged centrally by the college. These tests not only keep the students abreast of the syllabus but also acquaint them with the exam-environment. Regular evaluations enable students to test their accomplishments periodically so as to improve future performances. <p>Students are encouraged to visit, and make the fullest use of, the college library in order to enrich their academic experience. Library visits also inculcate in them the habit of looking beyond the syllabus.</p> <ul style="list-style-type: none"> • College level as well as national level seminars and workshops are organised by different Departments of the college to acquaint students with the latest developments in their fields of study. • With the endorsement of the Principal, many Departments organise excursions or academic tours to make the learning process more lively. • For the moral education of students special lectures by spiritual personalities, like monks from Ramakrishna Mission (Kamarpukur), are hosted by the college. • Through the programmes organised by the Departments of NSS and NCC students are sensitised towards their duties and responsibilities to the society and nation. • For the documentation of the entire process, student feedback is collected every year from the final year students. These are properly analysed and the authorities are informed of the pros and cons that the survey brings to our notice. Then steps are taken to maximize student satisfaction and minimize grievances.
