Resolution 1: The resolutions of the previous IQAC meeting held on 27/11.2018 (Tuesday) was read and confirmed.

Resolution 2: Taking part in the discussion, the members tried to identify the steps to be adopted by the IQAC, in the next academic year, for the development of the college. After thorough discussion, the following plan of action was prepared unanimously for the next year.

- (1) To continue the process of familiarizing the students and other stakeholders with the academic and evaluation procedures of the CBCS Curriculum.
- (2) To complete the construction work of the unfinished Buildings in the college for the purpose of increasing the number of Class Rooms, Office Rooms and Laboratories.
- (3) To create a sustainable environment by replenishing the local ground water level through rainwater harvesting.
- (4) To enhance the ICT facilities in our college for improving the process of teaching and learning and creating a favourable condition for effective research.
- (5) To complete the construction work of the Two storied Indoor Sports Training Facilities.
- (6) To initiate the process of allotting separate Office Rooms and Class Rooms to each Department.

Resolution 3: The members expressed their concern over the delay in submitting the AQAR and SSR to the NAAC. In response, the IQAC coordinator Dr. Ashish Kar, pointed out some technical problems faced by our faculty members at the time of collecting the required data. He added that during this year, the process of data collection has been hindered due to the retirement of our experienced Head Clerk. The NAAC coordinator, Sri Muktiprakash Roy informed the members that the qualitative matrices of SSR have already been written and the SSR would possibly be complete in the next academic year. The members then unanimously requested the IQAC coordinator and NAAC coordinator to complete the task as soon as possible.

Since no agenda came up for discussion under Miscellaneous, the meeting ended with vote of thanks to the Chairperson and President of the meeting.
